

The Youth 3rd Prize to
Rainne Kalotiti

A dense collage of various artworks, including portraits, abstract pieces, and illustrations, displayed on a wall. The collection features a wide range of styles and subjects, from realistic portraits of individuals to abstract compositions and narrative illustrations. Notable elements include a large portrait of a woman with a red headscarf in the top left, a grid of small framed pictures in the center, a large black and white portrait of a man with a beard in the bottom left, and a vibrant portrait of a woman with a yellow face in the bottom right. The artworks are arranged in an overlapping, non-linear fashion, creating a rich visual tapestry.
